

Dear Swim School Parent/Guardian,

Thank you for your interest in private or semi-private swim lessons at Orchard Hills Athletic Club. Private lessons are an excellent way to enhance current skills or to give those with fears special attention and develop skills more quickly. We offer private lessons with our certified, experienced instructor weekdays and weekends.

Please note, we do not set you up with other students for semi-privates. Semi-privates are for those who have siblings, a neighbor, or friend at a similar swimming ability.

We always recommend at least 4 to 6 lessons to see good progress. Members may pay on a weekly basis. Non-members, the public, must pre-pay for a minimum of 4 lessons. We require a 24-hour notice of cancellation, or you will be charged for the lesson (unless a sudden onset illness).

To begin the process of setting up your private lessons, we need you to email us at swimschool@ohaclub.com with the following details:

Your child(ren)'s full name, age, and a brief description of his or her swimming ability. Also, include some days and time frames preferred. If an instructor is available at those times, we will set you up immediately.

Please include your full name and phone number in the email so we can contact you for additional information if needed. If you have any additional questions, please let us know and we will answer them promptly. We look forward to assisting your child(ren) in becoming a confident and strong swimmer!

Please see the following pages for the COVID-19 Guidelines and Self-Screening Questionnaire.

Regards,
Orchard Hills Athletic Club Swim Staff
