

# Week 7 and 8 Wrap Up

Holiday week is always a favorite. We had an egg hunt and “egg” toss to celebrate Easter, a day of kindness for Valentines day, Halloween dress up day with counselors involved in many of the fun and silly activities. We also went trick or treating! We wrapped up the counselors like snowman and had a super popular gift exchange with so much excitement like Christmas morning. The younger group found the gold coins the “leprechauns” left in the woods for them! Color Week was full of challenges including an Olympic competition from long jump to hurdles to swimming races. We created many colorful works of art and also had a special surprise of a bouncy house for two days!
